CERTIFICATE OF FACTORY PRODUCTION CONTROL

In compliance with the Directive 89/106/EEC of the Council of European Communities of 21 December 1988 on the approximation of laws, regulations and administrative provisions of the Member States relating to the construction products (Construction Products Directive — CPD), amended by the Directive 93/68/EEC of the Council of European Communities of 22 July 1993, it has been stated that the construction product:

PREPRUFE 160R AND 300R WATERPROOFING MEMBRANES

produced by the manufacturer:

Grace Construction Products Ltd
Ajax Avenue
Slough
Berkshire
SL1 4BH
United Kingdom

in the factory:

W R GRACE & CO
6051 W 65TH STREET
BEDFORD PARK
ILLINOIS 6038
USA

is submitted by the manufacturer to the initial type-testing of the product, a factory production control and to the further testing of samples taken at the factories in accordance with a prescribed test plan and; that the notified body, the British Board of Agrément, has performed the initial inspection of the factories and of the factory production control and performs the continuous surveillance, assessment and approval of the factory production control.

This Certificate attests that all provisions concerning the attestation of factory production control described in:

BS EN 13967 : 2004

were applied.

This Certificate was first issued on 29th March 2006 and remains valid for as long as the conditions laid down in the harmonised technical specification in reference or the manufacturing conditions in the factory or the FPC itself are not modified significantly.

Signed on behalf of the British Board of Agrément:

Date: 29th March 2006

Expiry date: 31st March 2009

Notified body reference number: **0836**

* This Certificate was renumbered from 06/40354 to 06/F005 on 12 January 2007.
